Introduction

Moody's Analytics Knowledge Services (India) Pvt. Ltd. (hereinafter referred to as 'MAKS') is a global research, consulting and out sourcing firm having presence in India, UK, US, China, Sri Lanka, Costa Rica, Hong Kong, Singapore and Mauritius.

Since its inception MAKS has been supporting social development projects implemented by various non-profit organisations in different parts of India. MAKS has a long-standing track record of conducting independent analysis of non-profit organisations and research projects for the voluntary sector. It has been involved in many social advisory projects and has helped connect philanthropic funds to commendable and non-profit causes.

Vision

MAKS envisions being the largest financial research and consulting organisation in the country that will be known for conducting its business in a sustainable and socially responsible manner based on strong business ethics and corporate values. MAKS is committed to building a partnership with clients to ensure top-quality research, and supports its clientele in managing business challenges.

Values

MAKS's longevity and continued growth is attributable to its willingness to constantly adapt and evolve. While its business model has significantly evolved over the last decade, its core ethos has always remained unchanged. MAKS is committed to provide the highest quality value-added research and outsourcing services to its clients, based on quality, professionalism, client focus, quantifiable value-additions, and personal and team growth.

Social Responsibility Statement

The Company's leadership strongly believes that it has a significant responsibility towards the society in which it operates. It believes that business does not exist for the purpose of business alone but should create and support opportunities for social empowerment and inclusive development.

MAKS understands that the sustainability of any business relies on a healthy and educated workforce, sustainable natural resources and thriving society. MAKS being a responsible corporate citizen has a duty to not only work for sustainability of its business but also society as a whole and build social capital.

Aims and Objectives

At MAKS, Corporate Social Responsibility (CSR) is not just charity but an investment in society and in its own future. MAKS understands that no business house has the strength and resources to replace the government or create a parallel structure to government. MAKS believes that acting as an alternative to government is not the best solution to social problems and challenges faced by our society. Businesses should aim at developing and demonstrating innovative and sustainable development models which can be replicated and adopted by governments and other likeminded organisations.

MAKS aims to build new, sustainable and replicable development models as well as to invest in some proven models of development at grassroots for betterment of the underprivileged and poor, children, women and

environment. MAKS is committed to work for improving the conditions of the underprivileged and poor, children, women and environment through effective, innovative and sustainable development solutions.
